

ACTIVE PHARMACEUTICAL INGREDIENTS (APIs)

PCI offers a range of high quality APIs through its extensive global network of premier manufacturing partners. Our in-depth knowledge of the capabilities of manufacturing plants world over, enhances our ability to source the right quality APIs for each customer. We have a wealth of in-house expertise to effectively address your every quality and regulatory concern. In addition, our highly experienced Compliance team is available to audit suppliers' facilities to ensure complete adherence to your desired standards.

Acetaminophen
Alendronate sodium trihydrate
Alprazolam
Amitriptyline
Amlodipine besilate
Amlodipine maleate
Amlodipine mesilate
Atenolol
Atorvastatin
Benzocaine
Benzodiazepines (several)
Bromazepam
Candesartan
Carbamazepine
Cefaclor
Cefixim
Cefotaxime sterile
Cefpodoxim poxetil
Ceftazadime
Cefuroxime axetil
Cephalexin oral
Cephalosporin (steriles)
Cetirizine dihydrochloride
Cilazapril
Ciprofloxacin
Citalopram
Clarithromycin
Clopidogrel bisulphate Form 1
Clopidogrel bisulphate Form 2
Dextromethorphan
Diltiazem
Divaloporex sodium
Domperidon
Erythromycin base
Erythromycin ethyl succinate
Etodolac
Etraconazole
Famotidine
Fenofibrate
Fexofenadine
Fluconazole
Fluoxetine hydrochloride
Folic acid
Fosinopril
Furosemide

Gabapentin
Glibenclamide
Hydrochlorothiazide
Ibuprofen
Ketoconazole
Lidocaine hydrochloride
Lisinopril
Loratidine
Lorazepam
Lovastatin
Meloxicam
Metformin
Metoprolol
Metronedazole
Montelukast
Nabumeton
NACD
Naproxin
Norfloxacin
Oxybutynin
Penapril
Pentaconazole
Pentobarbital
Perindopril
Peroxycam
Phenobarbital sodium
Phenytoin base
Phenytoin sodium
Pravastatin
Prednisone
Privocaine
Propranolol HCL
Pyrazinamide
Quinapril
Raloxifene HCL
Ramipril
Ranitidine
Rosatriptan
Roxithromycin
S (+) Ibuprofen
S(-) Amlodipine besilate
S(-) Atenolol
Sertraline
Simvastatin
Sodium valporate
Steroids
Sulfomethoxazole
Sumatran succinate
Trimetazidine dihydrochloride
Valporic acid
Verapamil
Warfarin
Zolpidem
Zopiclone
